_____ (initial) I understand cancellations made with less than 24-hour notice, late arrivals, and no-shows will be liable for the cost of the full session.

ACKNOWLEGEMENT AND AGREEMENT OF POLICIES

If you have a specific medical condition or specific symptoms, massage/bodywork may be contraindicated. A referral from your primary care provider may be required. Because massage/bodywork may be contraindicated for certain medical conditions, I affirm that I have stated all my known medical conditions and answered all questions honestly. I agree to keep the practitioner updated as to any changes in my medical profile and understand that there shall be no liability on the practitioner's part should I forget to do so. I understand that the massage/bodywork I receive is provided for the basic purpose of relaxation and relief of muscular tension. If I experience any pain or discomfort during this session, I will immediately inform the practitioner so that the pressure or work may be adjusted to my level of comfort. I further understand that massage/bodywork should not be construed as a substitute for medical examination, diagnosis, or treatment and that I should see a qualified medical specialist for any mental or physical ailment that I am aware of. I understand massage therapists and bodyworkers are not qualified to perform spinal or skeletal adjustments, diagnose, prescribe, or treat any physical or mental illness, and that nothing said in the course of the session(s) given should be construed as such. It is also understood that any illicit or sexually suggestive remarks or advances made by me will result in immediate termination of the session and I will be liable for payment of the scheduled appointment.
